

Senior Care Services

Often just finding where to turn to get help for an elderly family member or friend can be confusing and overwhelming. Senior Care Services of Mary Washington Hospital will assess individuals to give direction and help in obtaining their special care.

Services Offered

- Comprehensive cognitive, psycho-social and physical evaluations by a nationally certified Nurse Practitioner.
- Focus on preventive measures and preservation of cognitive and physical function.
- Coordination of care with primary care provider.
- Evaluations for mobility, memory loss, driving and socialization issues.
- Discussions of living wills and other ethical issues that may occur.
- Inpatient Nurse Practitioner consultation service for patients at Mary Washington Hospital.
- Information on available resources in the community.
